Public Comment

Malatchi Enchambadi, PTA president of Dr. Howard has been pleased with the education her children have received at Dr. Howard. Dr. Howard parents feel it is important that they be involved in the process as early as possible. Ms. Enchambadi would like to see an anonymous survey given to parents. Surveys should be given online and on paper. Questions should be broad (Do you want to leave the building? Do you want to leave the neighborhood?)

Communications/Correspondence From Community

All communications and correspondence received from the community is available on the Tier Two Facilities website <http://facilityplanning.champaignschools.org/>

Thoughts and Comments From Committee Members

- What would better facilities do for our community?
- ADA, ESL, Special Education high on priority list.
- Should be about access and inclusion – not just ADA
- Think of athletics as a safety issue when talking about facilities.
- Unit 4 loses many qualified candidates because of facilities.
- Goal is to have a plan on how to address all facility needs even if improvements cannot be made all at the same time. How do we come up with a plan and sell it to the community?

Next meeting: April 14, 2016 at 7:00 p.m. – Mellon Board Room

The meeting adjourned at 9:05 p.m.
